'Juicy' Decanter

I met my wife, Kumiko Nakajima, while we were both trainees at JamFactory. After we got married, it seemed natural that we would collaborate together creatively. Studio mono was established in 2010 and

since that time, we have continued creating a range of products which bring together the contrasting qualities of glass and timber.

CV

2007-2008 Furniture Design Associate, JamFactory

2010-current Established studio mono in collaboration with Kumiko Nakajima

2011-present Contractor, Arketype, Pty Ltd

Uni Memories

I remember failing my final year project. It was a wake up call and made me realize that I was responsible for my own actions.
